- traditions and culture of the peoples of Russia.

The winner should be able to:

- analyze and interpret data using methods appropriate to language studies and literature studies;
- work with various types of texts, justify results;
- design high-quality oral and written texts;
- present results of research in the field of philology clearly in written and oral academic formats.

The winner should be capable of:

- developing scientific and professional activities in the field of modern Russian language studies;
- contributing to effective communication;
- making informed decisions under conditions of uncertainty;
- developing and testing research hypotheses in the field of philology;
- demonstrating critical thinking abilities;
- retaining interest for the Russian language and Russian cultural heritage.

2. List of degree programs

2.1. List of doctoral programs

5.9.1 Russian literature and literature of the peoples of the Russian Federation

5.9.3 Literary theory

5.9.5 Russian language. Languages of the peoples of Russia

5.9.8 Theoretical, applied and comparative linguistics

Program

5.9.9 Media communications and journalism

2.2. List of master's degree programs

42.04.02 Journalism

45.04.01 Philology

45.04.02 Linguistics

45.04.03 Fundamental and applied linguistics

51.04.01 Culturology

3. Content

Field of science 1. Russian Language Studies and other languages in Russia

Modern Russian language (+ theory of language)

1. Phonetics as a branch of linguistics
2. Vocabulary and phraseology in the context of Russia's cultural traditions. Historical changes in the vocabulary of the language
3. Language in the context of culture
4. Level structure of language. Theoretical problems

Stylistics

1. Stylistic resources of vocabulary and grammar. Stylistics of parts of speech. Basic concepts of syntactic stylistics
2. Basic concepts of stylistics. Style. Stylistic coloring. Stylistic meaning.
3. Expressive means in various functional-semantic types of speech

Field of science 2. Language & linguistics, comparative studies

Modern Russian language (+ theory of language)

1. Vocabulary and phraseology in the context of Russia's cultural traditions. Historical changes in the vocabulary of the language
2. Grammatical structure of the Russian language. Formation and development
3. Origin, evolution and development of language
4. Branches of linguistics and linguistic schools (19th-21st centuries)
5. Language functions

Field of science 3. Literature, slavic

Program

History and theory of literature

1. Types of characters in 19th-century Russian literature. The types of the superfluous man and little man in 19th-century Russian literature
2. Literature of the 19th century.A. Pushkin Eugene Onegin,The Stationmaster,Yu. Lermontov A Hero of Our Time, N.Gogol The Overcoat,F.Dostoevsky Crime and Punishment, L.Tolstoy After the Ball,A.Chekhov The Chameleon,The Death of a Government Clerk
